## **Section 1**

Product Name

Chemical Name & Synonyms

Formula

## **Identification**

HX-FILLER

Floated Clays, Hydrous Aluminum Silicate and Hydrite  
PXS, Kaolin in Water

Proprietary formula

## **Section 2**

Material

## **Hazardous Ingredients**

**%**

Hydrous Aluminum

6.0

## **Section 3**

Boiling Point

Vapor Pressure

Vapor Density (Air = 1.00)

Specific Gravity (H<sub>2</sub>O = 1.00)

Solubility in Water

Appearance and Odor

Melting Point

Evaporation Rate

## **Physical Data**

N/A

N/A

N/A

2.60

Soluble

White beige liquid

1800°C

N/A

## **Section 4**

Flash Point and Method

Flammable Limits

Extinguishing Media

Special Fire Fighting Procedures

Unusual Fire & Explosion Hazards

## **Fire & Explosion Hazard Data**

None

None

N/A

None

None

## **Section 5**

Stability

Materials to avoid

Hazardous decomposition products

Hazardous polymerization

## **Reactivity Data**

Stable

None

None

Will not occur

## **Section 6**

Routes of Entry

Health Hazards

Emergency & First Aid Procedures

## **Health Hazard Data**

Inhalation

Exposure to large amounts may irritate the nostrils and upper respiratory tract and slight dizziness

Ventilation

For skin contact

Inhalation

If swallowed

## **Emergency and first aid procedures**

Wash eyes, and skin with large amounts of water. If irritation persists, get medical attention.

Removed to fresh air. If symptoms persist, get medical attention.

Do not induce vomiting. Call physician immediately.

## **Section 7**

Steps to be taken in case of spill

Waste disposal method

## **Precautions for safe handling & use**

Clean with mop and water

Dispose of in accordance with all existing local, state, and federal ordinances

## **Section 8**

Respiratory

Ventilation

Protective gloves

Eye protection

Other protective clothing

Work Practices

## **Control Measures**

May irritate upper tract

Recommended

Yes

Safety glasses, goggles, or face shield

As required

Avoid inhalation of large amounts

## **Section 9**

Handling & Storing

## **Special Precautions**

None required
